I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I  
OBJECT to the definition of "inordinate amount" which restricts the availability and  
the right to obtain necessary compounded medications by limiting the number of  
prescriptions that can be shipped across state lines from specialized  
compounding pharmacies.

Comments: College Pharmacy is almost  
the only place I can get my medicine.  
No other pharmacy will take the time to  
fill my pills. I'm allergic to the others  
so have to have them special made. I have  
tried and they say it isn't worth their  
time to fill them. Thank you.
